Guidelines

Participation Guidelines:

- Register as a team with **1 - 4 members.**
- Only one member from each team must register on behalf of the whole team.
- The Deadline for the submission of abstracts is in **January 2026.**
- Abstracts will undergo a rigorous scrutiny, and successful finalists will receive invitations to participate in ICES, hosted at IIT Bombay during **Aakaar's Main Event.****

***[** For Both international students and students within India, presentations will be offline at **IIT Bombay Campus during main Event.**

Abstract Submission Guidelines:

Four important elements of an abstract-

- The research focus (i.e. statement of the problem(s)/research issue(s) addressed).
- The research methods used (experimental research, case studies, questionnaires, etc.)
- The results/findings of the research.
- The main conclusions and recommendations.

Please follow these steps to ensure an orderly submission:

- Download the word template: Begin by downloading the provided Word template for the abstract.
- Complete All Fields: In the template, click on the designated boxes to enter text. Ensure that you complete all the required fields, including Paper Title, Author Names (separated by a comma if multiple authors), Mentor Name, Abstract, Keywords, and Category.
- Formatting Instructions: Follow these formatting guidelines—
  a. Title: Times New Roman, font size 14, Bold, centre-aligned, capitalized properly, followed by a single black line.
  b. Author & Mentor Names: Times New Roman, font size 11, Italicized, followed by the respective affiliations in the next line.
  c. Abstract: Provide a concise abstract of 150-300 words.
  d. Keywords: Include relevant keywords..
  e. Category: Specify the appropriate category.
- Save Your File: After completing the above procedure, save your file as "LastName_FirstName_ICES26_Abstract" (where Last name and first name of the first author are written in the abstract) in PDF format.
- Download the Authentication Letter Template: Download the Word template for the authentication letter.
- Fill the Authentication Letter: Complete the authentication letter as required.
- Save the Authentication Letter: Save the authentication letter as "LastName_FirstName_ICES26_Authn" in PDF format.
- Upload Documents: During the registration process, upload your completed abstract and authentication letter.

Note:

- The paper should be based on actual experimental work and not just some literature review.
- Any plagiarism will lead to disqualification.
- Your abstract will be reviewed by our review committee. Therefore, you are requested to submit a high-quality version of your abstract approved by your mentor.

Abstracts are invited on any of the following topics associated with Civil Engineering:

1. Construction Management and Methods
2. Concrete Technology and Building Materials
3. Geotechnical Engineering
4. Hydraulic and Water Resources Engineering/Ocean Engineering
5. Remote Sensing (GPS/GIS)
6. Structural Engineering
7. Transportation Engineering
8. Environmental Engineering
9. Architecture, Infrastructure and Urban Science
